REMARKS

By the present amendment, an amendment of editorial nature has been made to claim 17 to avoid any indefiniteness of the claim. In particular, the term "whirlpool" has been changed to "cyclonic". There is no antecedent basis for the phrase "the whirlpool air current" in line 20 of claim 17. The appropriate antecedent basis is "the cyclonic air current" which appears in line 14 of claim 17. Entry of the amendment is respectfully requested.

Respectfully submitted,

Gary A. Kasper and Thomas K. Ankney
